Dear Mr. Fields,

We are the local claims representative hired to assist your insurance carrier, Great Lakes Insurance SE, herein after referred to as "Great Lakes", to investigate property damages as referenced above.

Upon our inspection of April 1, 2020 certain evidence and information became known to us that our principals, Great Lakes, have requested that we advise you that the current information related to this claim indicates that there may be a question regarding coverage concerning some or all of the damages.

During our inspection of the property we did not find any fire extinguishers or smoke detectors present in the building. The property appeared as if it was vacant.

Please refer to the pertinent parts of Section E. Loss Conditions - Building and Personal Property Coverage Form (CP 00 10 10/12) outlined as follows:
